### **Meet the coaches . . .**

**Shannon Davis** is the father of Riley Davis in Johnny's class. Shannon learned many of his basketball skills and strategy playing for his junior high and high school basketball teams. Growing up in Chapel Hill, NC and attending the University of North Carolina fueled his passion for watching college basketball. He still tries to play pickup basketball, where he maintains his competitive edge by playing with guys that are at least 10 years older than him. His most enjoyable times playing basketball have been pickup games with his friends. Now he'd like to share his passion for basketball with the next generation!

**Dashaun Young** is an Instructional Assistant in the Later Elementary, a teacher in the After School Programs, and a Summer Camp Counselor at Honey Creek. Dashaun has been playing basketball since he was 3 years old. He was All-State, All-Conference, and All-Area his senior year of high school. He earned several scholarships to college, but chose to study and play at Eastern Michigan University. He loves the game and enjoys playing and coaching.

### **Our goal . . .**

There is only one LeBron James (Michael Jordan or Oscar Robertson for you older types) and we aren't him, but that does not mean that basketball can't be rewarding for those of us that are more earthbound. Basketball is a great sport that can bring a lifetime of rewards for people of all skill levels. Our most important goal is for you to have fun. In addition, we will teach you the fundamentals and basic strategy of basketball. By learning the fundamentals you will have a richer, more enjoyable experience. So come by the gym on Tuesday, January 5<sup>th</sup> and Thursday, January 7<sup>th</sup>, check us out, say hello, play some basketball and have some fun!
