# Scratch Programming Workshop

Come join our school's Technology Specialist, Bill Van Loo, for an exciting workshop in Scratch programming! Scratch is a fun, visual environment that lets kids of all ages create video games, interactive stories, and more, with no programming experience required. Students will learn the basics of Scratch and share their creations with classmates and the world. All necessary equipment will be provided.

**WHEN:** Thursdays from 3:15 – 4:15pm from 01/07/2010 to 04/01/2010.

**WHERE:** Middle School Math Room

**WHO:** Students in grades 2-8

**INSTRUCTOR:** Bill VanLoo

**COST:** \$96.00 per student for the 12-week session. Please make checks payable to “HCCS.”

**ANY QUESTIONS:** Contact Bill VanLoo at [bvanloo@hc.wash.k12.mi.us](mailto:bvanloo@hc.wash.k12.mi.us)

Space is limited. All registration forms must be completed and returned to the After School “IN BOX” prior to your first session.
