Financial Committee Report: None

Faculty Liaison Report: None

School Age Programs/Academic Service-Learning: Written report in board packet. Sue Hofbauer noted the number of summer camp enrollees had increased to 87, differing from her written report.

PTO Report: None

Director's Report: The Director's Report included the following items:

- Honey Creek was notified on June 14th from the Michigan Department of Education that the resolutions for both special education complaints have been accepted.
- Received notification on June 21st from the Michigan Department of Education that Honey Creek has met the requirements (level 1) of Part B of the IDEA.
- This summer Honey Creek will conduct interviews for two positions, a teacher consultant and a media center specialist. All other faculty is due to return this fall.
- During the last three weeks of school there were two major discipline issues which required immediate and severe interventions. Honey Creek is working toward solutions in each case in cooperation with parents, the AAPS, local authorities and the students.

There was a discussion with Al Waters, led by Simona Goldin about integrating and standardizing issues throughout the classrooms, particularly in middle school, related to Honey Creek values, responsibilities and maturation.

Old Business: None

360 Assessment

Written report in board packet. Jeff Prenevost moved, supported by Carol Borgeson to approve a 360 Assessment for Director Al Waters to be completed as part of his 2009-2010 evaluation process by the Board of Directors. The Hay Group will administer this email driven peer assessment. **Motion was approved by all board members.**

Strategic Planning

Simona Goldin reported that the Strategic Planning process has begun with a small committee of community members being assembled to review existing documents. The committee will plan to meet three times over the summer. Simona Goldin requested one person, in addition to Al, become involved in the organizational process to keep things moving in collaboration with our consultant. Scott Mahler took on this responsibility as “sub point liaison.”

Compensation Panel

Compensation Panel findings were distributed to the board for review.

New Business:

Board Connect

Simona proposed a Board Connect Workshop as part of the July 28, 2010 meeting. The focus of this presentation will highlight constraints of school boardsmanship, with a focus on fiduciary responsibilities. Jeff Prenevost moved, supported by Scott Mahler to approve the Board Connect Workshop Proposal. **Motion was approved by all board members.**

Board Self-Evaluations

There was a brief discussion about the Board Self-Evaluations. The question was raised about collection and how to properly collate data. John Stahly took on the task.
