MIDDLE SCHOOL FLAG FOOTBALL

DESCRIPTION: Come learn the fundamentals of football. In this six-week course students will learn how to throw a spiral, run routes, play defense, properly carry the ball, and call plays. Each student will have the chance to run the offense and defense, as a key part of this clinic will be scrimmaging. Using flags allows students to learn proper ways of navigating the game without the full contact.

MEET THE INSTRUCTOR: Middle school social studies teacher, Joe Griffith, has a passion for football. From playing on his high school football team to regularly sneaking away at lunch recess to play with students at Honey Creek, it has been a part of his life for the last twenty years. Within the last five years, he even laced up his cleats and played semi-pro ball in the UAE. Al Bundy, eat your heart out...
