Specialty Camps

Theatre Camp

Grades 5-8 (\$280)

June 25-29 & July 9-13 from 8:30am-2pm

Directors: Johnny Thompson & Elizabeth Scott

We will take five full days to rehearse and put on a complete one act play! We will also work on props, costumes and set design. We're looking forward to great times making great shows! We will do a different show each week, so join us for one show or both!

Johnny teaches 4th/5th grade at Honey Creek and has a great love for all things dramatic. She was very active in her own school plays and enjoys leading the creative arts camps and Theatre productions at Honey Creek.

Elizabeth teaches middle school language arts and brings experience of her own days working set and props crew for high school musicals. She also enjoys watching children act silly.

Middle School Band Camp

Grades 6-8 (\$180)

July 16-20 from 8:30am-11:30am

Director: Garry K. Klink

Keep your chops in shape, make some new friends, and have fun in the sun playing music from several different genres: pop, rock, movie themes and musicals.

Garry is Honey Creek's Band Director and Music Teacher. He has several years of experience teaching band at the High School and Middle School levels including Concert and Jazz Band formats. He has also coordinated the increasingly popular Summer Music Camp at Chelsea's Beach Middle School for the last three years.

"That's So Metal" Jewelry Camp

Grades 4-8 (\$180)

July 16-20 & July 23-27 from 12:30-3:30pm

Learn some mad artisan skills to rock this summer in one-of-a-kind jewelry creations made out of metal wire.

Earthwork Art Camp

Grades 3-8 (\$180)

July 23-27 from 8:30-11:30am

Instructor: Marta England

Campers will be inspired by our 40 acres of nature to create beautiful works of art *en plein air*.

Marta is the art teacher at Honey Creek. She graduated with a Masters of Art from EMU. She started her career as bench jeweler working with local artists. She traveled for over 10 years selling her jewelry at art fairs. Her lifetime goal is to visit all the "Land Art" sites in the USA.

Environmental ED-ventures!

Grades 1-8 (\$280)

June 25-29 from 8:30am-2pm

Instructor: Jeannie Crayne

Campers will explore and help care for 40 acres of diverse habitats which include wetlands, prairies, a forest, a pine grove, nature trails, several NWF-certified Schoolyard Habitats, an edible garden, and a greenhouse with over 100 plants. Campers will earn service hours all while learning and having fun!

Jeannie, a 2/3 grade teacher at Honey Creek, is an experienced gardener who shares her enjoyment of the the greenhouse, gardens, and grounds with her students and campers by blending nature, education, and fun.

K-2 Craft Camp

Grades K-2 (\$180)

July 16-20 & July 23-27 from 8:30am-11:30am

Instructor: Alexa Korpala

Ready, Set, Craft! This camp is for children in grades K-2 who like to create, get messy, & have fun! Make & take a variety of projects and explore your creative side. Register for one or both sessions to do new crafts each week!

Alexa is a K/1 teacher at Honey Creek. She spends much of her very limited free-time crafting new things as gifts for others and is excited to share her love of arts and crafts!

Brain Monkeys @ Honey Creek

Grades 1-8 (\$180/camp)

Instructors: Katie Tilton & Brain Monkeys Staff

Storytelling with Lego

June 25-29 from 8:30am-11:30am

Campers will use the LEGO Education StoryStarter kits, building materials, mini-figures, and software as hands-on learning tools to create their own stories and enhance their reading, writing, speaking, and listening skills.

Newspaper Geometry

June 25-29 from 12:30-3:30pm

Campers will use newspaper and other everyday objects such as straws and pipe cleaners to bend into geometric shapes, and even build their own geodesic hideaways!

Junkyard Wars: Chain Reaction

July 16-20 from 8:30am-11:30am

Campers will design their own Rube Goldberg Machines to create MASSIVE chain reactions!

Junkyard Wars: Mega Marble Maze

June 16-20 from 12:30-3:30pm

Using everyday materials, campers will learn some basic physics principles by designing and building mega marble mazes complete with hills, spirals, ramps, and loops.
