Ev3 LEGO Maniac Programming & Efficient Attachment Building Class

DESCRIPTION: Interested in being on the FIRST Legomaniac Robotics team next fall? Just want to learn how to run a robot and make it do things? In 3rd to 6th grade? Join Cheryl in learning more about how to accomplish the autonomous missions woven into the challenges of the FIRST LEGO Robotics Competition. Students should bring their own nut-free snack.

ABOUT THE INSTRUCTOR: **Cheryl Quinn** is a confessed Lego nerd, science nerd, blossoming math nerd and long-time FIRST robotics parent, mentor and coach. Her two children have gone through the FIRST ranks through the high school level. She teaches the 4/5th grade level at Honey Creek, focus area: Science, of course!

WHEN: MONDAYS from 3:15 – 4:30pm from April 16th through May 14th, 2018

WHERE: C10

WHO: Students in grades 3rd-6th. Minimum of 5 students. Maximum of 12.

COST: \$50.00 per student for the 5-week session. **Make checks payable to “HCCS.”**

ANY QUESTIONS: Contact Cheryl at cquinn@hc.wash.k12.mi.us

CHECK HERE if you would like this registration to officially change your regularly scheduled after care on Mondays to Ev3 Lego instead. This change will become effective on April 16th IF RECEIVED BY 04/12/2018.

Space is limited. All registration forms must be completed and returned to the After School “IN BOX” prior to your first session.
