

The After School Programs of Honey Creek Community School present

Reader's Theater

DESCRIPTION: Characters of all kinds welcome! Come join us for a fun time in Reader's Theater. Readers Theater is a great start for students 2nd - 4th grades who want to learn about theater. We have fun reading and acting out several short scripts during the thirteen-week session. Each week is designed to help make reading enjoyable, to try out different voices and be creative. We add in props and exchange character roles to get experience with being in a play without needing to memorize lines. Dress up clothes and props provided. Please bring your own snacks.

MEET THE INSTRUCTOR: Jeannie teaches 2/3 and has been an active performer for several years. She has enjoyed the atmosphere of small performances with young children during the school year with her classes and after school groups. She is familiar with students in 2nd - 4th grades, and has many creative ideas of how to make reading fun!
